**CLEAR PAVEMENT
BY END OF MONTH.****Wilson Company Advises
Burgess They Will Clear
Away Obstruction.****WOULD BE DANGEROUS NOW.****Brick Work on Second National Bank
Building Will Be Completed Soon
and Thoroughfare Thrown Open.
Council May Pass Ordinance.**

Burgess A. D. Soisson is in receipt of a communication from the A. & S. Wilson Company which is erecting the new Second National Bank building, stating that the sidewalk along Pittsburg street will be open for public use the latter part of this month. The contracting firm states that until the brick work on the building is completed it would be dangerous to use the sidewalk even if overhead protection was given. The entire side of the building is blocked with piles of brick and other material used by the contractor, and public travel along that side of the street would be badly hampered and might result in no little congestion in traffic.

The blocks to be used for the pavement have already been ordered and are expected to arrive on tomorrow. Work on laying the pavement will be commenced as soon as possible.

It is believed that as soon as the brick work on the building has been completed, on the Pittsburg street side at least, the pavement will be thrown open for use. This, it is thought, will be satisfactory to the borough authorities.

When Council meets again, Borough Solicitor Goldsmith will probably submit his report on the matter. Mr. Goldsmith advised Burgess Soisson to put the matter up to the Public Safety Committee of Council. The Borough Solicitor stated this morning that he has not had time to go into the matter but will have something to tell Council when it meets again.

The business men along the west side of North Pittsburg street are complaining against the sidewalk being blocked, claiming it injures their trade, the blockade causing pedestrians to use the opposite side of the street.

The blocking of pavements has become a habit of late, so people say. South of Main street and just above the Wyman hotel the pavement has been torn up while a cellar is being excavated beneath it, while at the corner of Fairview avenue, on the opposite side of the street, the pathway was torn up this morning while a new pavement is being laid.

**HUSBAND AND WIFE
TO ANSWER FORGERY.****Charges Preferred by Bessemer Coke
Company for Raising Checks
Issued by Corporation.**

UNIONTOWN, Oct. 12.—Like Fisher and Della Fisher, his wife, have been committed to jail to answer charges of forgery preferred by the Bessemer Coke Company. They are accused of having raised the amounts on various checks issued by the company on the Daily Mercantile Company.

When the accounts of the coke and the mercantile company varied to such a great degree an investigation was ordered. It was found that checks issued to Fisher and his wife had been raised. The company believes it has been defrauded of \$200 or more in this manner.

Informations against the couple were sworn out Saturday before Justice S. J. Reynolds of Mazon town. Mrs. Fisher has been released from jail on bail.

PAY FOR FIRE FIGHTING.**Men Who Put Out Flames Near Hopwood Send Bills.**

According to a report received by Constable Jacob Churns from Abe Moore, the leader of the fire brigade which did good work in the recent forest fire, John Thomas' farm, the pay roll will amount of about \$20. The brigade was composed of the best residents of Hopwood who gave what time they could in their daily occupations to aid in extinguishing the conflagration.

The members of the brigade and the time worked are as follows: Hiram Loston, 8 hours; John Thomas, 11; Henry Thomas, 11; Ray Thomas, 6; Freeman Johnson, 11; John Morgan, Jr., 12; Albert Morgan, 8; Harry Bell, 6; George Downey, 6; Abe Moore, 20; Benjamin Boyer, 8; Simon Madison, John and Roy Morgan, James Johnson, John Beatty, Howard Shipley and William Hixon, each 12; Samuel Shipley, 6; Asa Whitford and Mont Martin each 8, and S. Martin, 5.

**FILTERS REPAIRED;
WATER IS NOW PURE.****Third of Purifiers Resumes
Service This Morning.****ALL WATER IS NOW FILTERED.****Supply Will Be Even Purer Than Before Since Thorough Overhauling of Plant—It Will Do No Harm However to Continue Boiling Water.**

The "Boil the Water" slogan can be relegated to the rear unless the consumer feels nervous. This morning the third and last of the damaged filters at the pumping station of the Connelville Water Company went into commission. All water supplied the borough is now being filtered and the supply is up to the standard.

Superintendent J. D. Stillwagon of the water company stated this morning that his filters are all working but advised those consumers who fear contamination and germs as a result of the low water to boil that which is used for drinking purposes.

"All the water we furnish is being filtered now," he said. "There is nothing to be feared from it. Many people might drink disease germs at present because of the low stage of the river and I would advise these people to boil the water."

"Our filters have been thoroughly cleaned and are working in nice shape. I anticipate no further trouble from them."

**HEAVIEST FROST OF
SEASON LAST NIGHT.****Rain Did Some Good But Much More
Is Needed—Cooler Weather
Is Coming.**

The rain on Saturday night helped some. It didn't last long enough and although heavy clouds threatened all day yesterday it cleared up during the night and Old Sol made his appearance this morning as though he had been on the job without interruption.

But it turned cold since Saturday. The weather yesterday was raw and windy; typically wintry in its aspect. Last night the wind reached almost the proportions of a mountain storm, but the rain held off as it has most persistently during the past many weeks.

The heaviest frost of the season fell during the night. South of here, along the Hunter valley, about Sewardtown, and other points, the country was wrapped in a mantle of white which resembled snow much more than it did frost. The mercury dropped quite a few degrees.

The river maintains the same low level that has prevailed for weeks past, with only a slight rise. At night the water about half an inch, only to drop to its former stage the next morning. The country is almost as dry as though no rain at all had come. Farmers are being expressed that a freeze may come along before the springs and streams are replenished by copious rains, and in such event untold suffering might result.

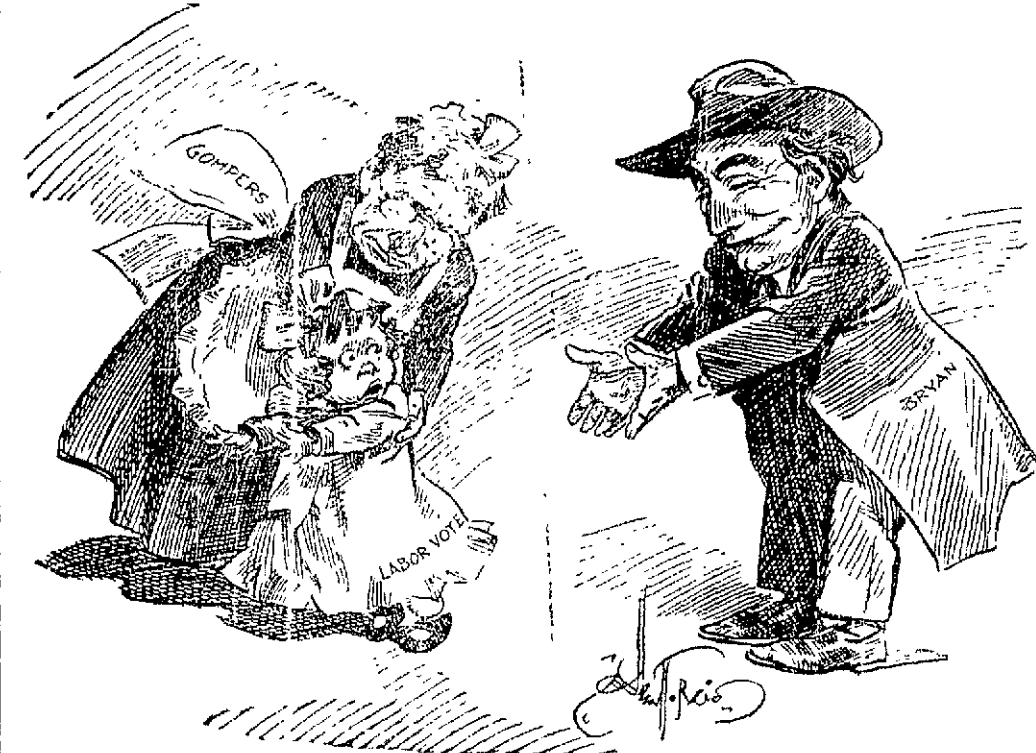

**EMBRYO LAWYERS
ARE TAKING EXAMS.****Largest Class in Present Generation
Are Busy With Finals and
Preliminary Tests.**

UNIONTOWN, Oct. 12.—The largest class within the memory of the present generation of lawyers in taking the final examination today for admission to the bar of Fayette county. Five men presented themselves before President George B. Jetties of the law examining committee to begin the trial which will last the better part of the week.

The candidates for final honors are Prof. F. E. Youngkin of Connelville, principal of the Third ward school there; Chad John of Uniontown; W. A. Miller of Jefferson township; Frank J. Cotton, a veteran newspaperman of Uniontown and H. D. Leonard. All of these candidates passed the preliminary examination some time ago. It is unusual for more than one or two to take the final examination at the same time.

Four candidates will take the preliminary examinations. They are P. F. May and Fred Munson of Connelville and Zed Clayman and H. K. McQuarrie of Uniontown.

He Carried Gun.
Constable Jacob Churns of Hopwood arrested Frank Crope, a Slav, for carrying concealed weapons. Crope stated that he carried the gun to protect his money.

**REPUBLICANS FROM LOWER PART OF COUNTY
GATHER AT OHIOPOLE MEETING SATURDAY.****REPUBLICANS FROM LOWER PART OF COUNTY
GATHER AT OHIOPOLE MEETING SATURDAY.****Stewart Township People Turn Out in Large Numbers to Hear Speakers—Prepare to
Open Headquarters—Arranging for Connellsville Meeting—Democrats Swoop Down
on Grand Army Men—Getting Ready to Welcome Debs.**

Another very successful meeting of the Republicans was held at Ohio Pole Saturday afternoon. It was the first of the season and was largely attended by the voters of Stewart township. The candidates and speakers went to Ohio Pole on the morning train and spent the time there until 2 o'clock, meeting and conversing with the residents of the town and township. Many drove long distances to the country to attend the meeting. Congressman Cooper, who headed the party, taught school in the township 22 years ago, and he had the pleasure of meeting some of the "boys and girls" that went to school to him many years ago. A considerable number of voters were present and the day was most successful and happy one.

Attorney Lee Shultz of Uniontown called the meeting to order with a few preliminary words and then asked that a permanent chairman be selected from among the gathering. Rev. E. M. Cunningham was selected for the place and after a few brief words, in thanks for the interest of the country, Chairman John R. Hyman, who last autumn in getting down to the important topic of the meeting, he made an earnest, pointed appeal for the election of the entire Republican ticket.

James H. Pled of Uniontown discussed Free Trade and Protection, declaring that Bryan had his actions killed, while he was a member of Congress a number of good measures that the Republican party had introduced, and which were passed by the country, he said that the history of the Republican party for the past 50 years was the history of the country. He described the Republican party as a party of aggressiveness and progress and the Democratic party as one of conservatism and opposition.

Hon. A. P. Cooper was enthusiastically received. He reminded the audience that each one was a party to this great government and had a duty to perform and the duty of a citizen to take up the reins of government, was not a light one. He practically declared that the men upon the Republican ticket this year were good and substantial and should be elected. The last Congress he recalled appropriated \$10,000,000 for the maintenance of agriculture, and by the assistance of the Department of Agriculture, the establishment of the great free delivery has made the farmer's occupation as much respected as any other, that farming is now practically reduced to a science and many men are taking it up in preference to many other avocations, and that the farmer is no longer called a "hired hand."

He showed the falling of the Bryan's charge that the Republican party was making money in the American people by extravagant support of the party, pointing out that the wealth of the nation had increased from \$5,000,000,000 in 1900 to \$15,000,000,000 in 1907.

He carried Gun.
Constable Jacob Churns of Hopwood arrested Frank Crope, a Slav, for carrying concealed weapons. Crope stated that he carried the gun to protect his money.

**SMITHFIELD SCENE OF NOTABLE
REUNION OF VETERANS
SATURDAY.****COMRADES OF WAR
TIME DAYS GATHER.****Smithfield Scene of Notable
Reunion of Veterans
Saturday.****RAIN AND COLD INTERFERED.****Bean Bake in Weaver's Grove is Followed
by Addresses by Well Known
Fayette Countians Who Pay Tribute
to Old Soldiers.**

SMITHFIELD, Oct. 12.—The 130th anniversary of the signing of the Declaration of Independence, which was celebrated at Smithfield Saturday evening with a bean bake, followed by addresses by well known Fayette Countians who pay tribute to old soldiers.

The exercises were held at Weaver's Grove, where the veterans gathered at 12 o'clock. The dinner was a bean bake, but aside from the beans there were many other dishes, which the wives and daughters of the veterans had prepared. Nearly 100 persons of this party, but it was too cold to be comfortable. The beans were served with many a joke of how they used to be dished in the army by these same veterans. One was served in large quantities, as well as cold meats and chicken. Had the day been a pleasant one, it would have added to the happy gathering.

After dinner the speaking was started. Judge R. E. Unbehler delivered a complimentary talk and praised the veterans for their good work, which they offered their lives in behalf of their country. He spoke of the hardships and the privations that they had undergone and the true pleasure it was to meet these men in such a pleasant manner. Judge E. H. Reppert delivered an address along the same line, and he was followed by Wanda N. Carr who in his characteristic manner aroused much applause.

On the afternoon, Judge Unbehler, who was in charge of the exercises, was followed by the orchestra. A program of athletic events had been arranged for during the afternoon, but owing to weather conditions these had to be postponed.

The exercises closed Saturday evening with a feature in the hall and a lecture by Dr. Pershing, whose topic was "Law, Liberty and Love of Country." The exercises were held in the hall of the local lodge, which was decorated for the occasion. It is well known as an interesting subject.

Many of the veterans who gathered at the grave Saturday had not seen each other for many years and the happy greetings that ensued among the old soldiers were delightful. There were a number who fought side by side in the Civil War who had to be introduced to each other by younger veterans having, separated them for years.

The graves of the veterans who were buried in the cemetery were visited by the veterans and their families. The graves were decorated with flowers and flags. The exercises were held in the hall of the local lodge, which was decorated for the occasion. It is well known as an interesting subject.

**FOREIGNER HELD
ON MURDER CHARGE.****Jesse Reynolds Dies at Tarr
Station From Bullet
Wound.****LEFT HOSPITAL LAST WEEK.****Reynolds Was Shot During a Fight in
Which He Interfered: Was Discharged
From Hospital and Re-opened
Wound While Working.**

Jesse T. Reynolds, who was shot about three weeks ago at Whitsett works by Mike Tuen, a Magyar. Stuffed by Mike Tuen, a Magyar. Stuffed by Mike Tuen, a Magyar. Stuffed by Mike Tuen, a Magyar.

Reynolds had been working at Whitsett and on the date of the shooting he saw a man named Stiffy being a tackled by Mike Tuen, a Magyar. Stuffed by Mike Tuen, a Magyar. Stuffed by Mike Tuen, a Magyar.

Reynolds interfered and pulled the foreigner off. Angrily by the interference Tuen pulled out a revolver and shot at Reynolds. The bullet entered the left cheek and came out at the neck, leaving an ugly wound. The following day Reynolds was brought to the Cottage State hospital here where he remained for the next 10 days.

Reynolds did not work about his home at Tarr until Saturday evening, when the wound was opened. Medical aid was of no avail and Reynolds died yesterday morning. Coroner H. J. Bell conducted a post mortem examination and decided that death was due to the gunshot wound.

Deputy H. A. McMurray of Youngwood and Dr. Miller of Tarr, and County Detective Frank McLaughlin of Fayette county were present. Following the post mortem an inquest was held at John Graff's hotel, at which a verdict was rendered holding Mike Tuen responsible for Reynolds' death. The foreigner who was arrested immediately after the shooting, is in jail at Uniontown, charged with felonious shooting.

A charge of murder was made against Tuen this morning by County Detective McLaughlin.

**JEWISH OFFICERS
NAMED YESTERDAY.****Congregation Holds Meeting and New
Synagogue Is Discussed—Ready
to Accept Plans of Structure.**

At an important meeting of the local Jews was held last evening in their hall on First street, New Haven, the congregation recognized for the first time by electing Charles Cohen, President; Jacob Rosenblum, Vice President; E. Horwitz, Secretary, and I. Aaron, Treasurer. The Trustees appointed were Louis Fechterman, L. M. Mao, Jacob Kinschinsky, E. Zuckerman and Z. Melnick. A committee composed of S. M. Goodman, M. H. Levinson, E. Horwitz, Jacob Rosenblum and Louis Fechterman, was appointed to draw up by-laws and present them to the congregation.

The meeting was largely attended, over 100 persons being present. Great interest is being taken by all the members of the congregation in the erection of their new synagogue on which work will be started within a short time.

A special meeting will be held next Sunday night in their hall in New Haven for the purpose of appointing a building committee and transacting other business of importance. The committees are now ready to accept plans and bids for the new building.

Saturday—The Ladies of the First Presbyterian Church will hold a social at the home of Mrs. J. L. Allen at 8 o'clock on Saturday.

Sunday—The Ladies of the First Presbyterian Church will hold a social at the home of Mrs. J. L. Allen at 8 o'clock on Sunday.

NO MORE DISTRESS FROM STOMACH OR ANY DYSPEPSIA AFTER TODAY.

When your stomach is weak or lacking in gastric juice anything that you eat, no matter what it is, will sour on your stomach, cause indigestion, and lead to distress from stomach. This is because the stomach is unable to properly digest the food, and the food remains in the stomach, causing indigestion and distress.

Dr. J. C. Allen's Oysterettes are a perfect remedy for this condition. They contain a powerful digestive agent which will break down the food in the stomach, and allow it to be properly absorbed by the body. This will relieve the distress from stomach and any dyspepsia after today.

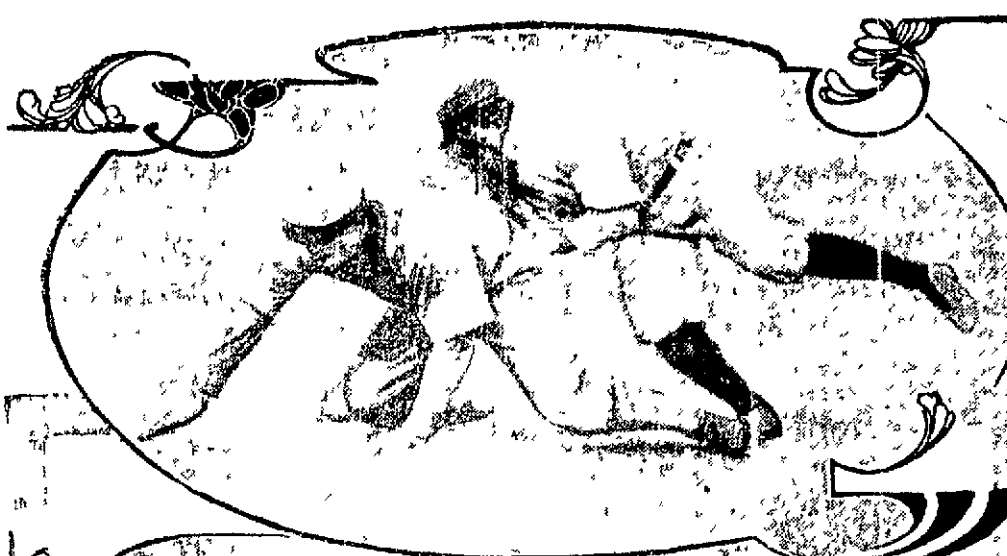

BACHELORS MUST BUY BENEDICT'S DINNER.

When They Have Done That Another Ball Game Will Be Arranged—Not Before.

If these bachelors expect to have a good time at the Benedict's Dinner, they must buy a ticket. The dinner will be held at the home of Mrs. J. L. Allen on Monday night. It will be a very enjoyable affair, and all bachelors are urged to attend.

Which Will You Buy?

P. & G. Naphtha Soap or ordinary naphtha soap? The price is the same.

P. & G. Naphtha Soap is white. Its principal ingredient is coconut oil. Coconut oil is used because it is the best material that can be obtained. It makes a splendid suds, and it is really clean.

Ordinary naphtha soap is yellow. The principal ingredient is rosin. Rosin is used because it is cheap. It makes a poor suds, and it is not really clean.

Clothes washed with P. & G. Naphtha Soap are as clean and white as when new.

Clothes washed with ordinary naphtha soap are also clean and white, but they are more soiled and more effort to accomplish the same results.

A cake of P. & G. Naphtha Soap is hard and firm. LASTS.

A cake of ordinary naphtha soap is soft and flimsy. LASTS.

P. & G. Naphtha Soap is the standard by which all other naphtha soaps are judged.

The price of P. & G. Naphtha Soap is 5 cents a cake.

5 Cents a Cake—Worth More.

Coch Houghton of Harvard put the varsity team to the hardest trial of its program by forcing it to play with Williams, which was really the first contest which forced the team to extend itself. The varsity was driven to its utmost in ten minutes while both scholastics and varsity out there at the moment in a war for their own goal posts. Vic Keenan and Gordon and Weinberg stimulated themselves, a clever and a war. These pictures were taken during recent practice at Cambridge.

In Thomas, the substitute back, the team has a man of great speed as he gains Saturday aptly demonstrated. Thomas needs to use his arms more when carrying the ball and when he gets this down he should be good for some tremendous runs. Both William Myers and Bishop proved to be good ground gainers, but Myers' greatest

CHICAGO AGAIN
BEATS DETROIT.

Wild Bill Donovan Goes to Pieces in the Eighth.

TINKER'S HOMER STARTS RALLY

And Before It Ends Six Cubs Canter Athwart the Home Plate—Overall Holds Detroit's Heavy Hitters at His Mercy.

Chicago, Oct. 12.—After eight innings of clockwork baseball "Wild Bill" Donovan, premier pitcher of the champions of the American league, weakened under the prolonged strain and the Chicago world's champions captured their second game of the present series, 6 to 1.

Detroit's hopes, which were high after seven innings in which Chicago had made only one hit, were dashed in the eighth. In that sensational portion of the game Donovan was hit for

passes twice. Crawford and McInyre, who hit above .300 all season, were unable to connect safely with his delivery. That he was effective in holding down Crawford with the kind of ball he pitched was remarked by critics of the game. Crawford is known as one of the surest hitters of a high ball in either league, yet Overall curved them around his neck or shot them straight across without getting into trouble. Each side was credited with an error, but neither of them figured in the score.

To Joe Tinker belongs the credit for breaking the spell which Donovan had held over the Chicagoans for so long. Steinhardt had struck out and Hoffman had reached first because Schaefer, after a beautiful one-handed pickup of his weak grounder, had thrown low. The crowd scarcely hoped for more than a single and hardly expected that when Tinker came to bat, Donovan sent a first waist-high in-shoot over the plate, that is to say, partly over the plate. It never got the way, for the sticky Chicago shortstop swung viciously. The ball soared high, so high that it seemed certain it must drop into Cobb's hands, as that holder was playing well back as a result of previous experience with Tinker. But there was an unusual amount of energy behind the ball and it sailed high and clear into the stand in right field. Tinker, preceded by Hoffman, trotted around the circuit, amid the first real cheering of the game. Horns were blown, bells rung and throats strained to increase the ovation.

Attendance Not Large.
The attendance, due largely to the chill weather, was only 17,760 paid admissions, according to the official figures made public after the game. The gross receipts were \$26,927.

Murderer Wife at Church Door.
York, Pa., Oct. 12.—William Bennington shot and killed his wife while she was on her way to church at Delta, and then committed suicide. Bennington followed his wife to church with a horse and buggy and fired a load of shot into her body just as she was about to enter the church. He then whipped up his horse and drove across the state line into Maryland, where he reloaded the shotgun, placed the barrel against his stomach and pulled the trigger. The crime is said to have been prompted by jealousy.

Angler Lands Giant Eel.
Egg Harbor City, N. J., Oct. 12.—A huge eel, measuring 44 inches in length and 9 inches in circumference, was caught by Joseph Huettinger. The eel was caught in Little Egg Harbor river and gave Huettinger quite a tussle before he landed it. The monster is the largest eel ever caught with a hook and line in these waters.

WRIGHT-METZLER COMPANY.

LEADING RETAILING ESTABLISHMENT OF FAYETTE COUNTY.

Our Entire 2nd Floor is Devoted to the Exclusive Display of Women's Apparel.

And is the Largest Exclusive Store of Its Kind in this Section.

When you come up to our second floor you enter the best equipped, the biggest and most comprehensive women's store in this county, but the scope of this spacious department comprehends but half of our garment and millinery store. We operate under the same management another store fully as large in Uniontown, all of the merchandise for both of these stores is bought by one group of buyers, gaining wonderful price advantages and little additional style touches which have gone far in establishing the wonderful volume of business we enjoy. It's the store that offers the best values. Nowadays that gets the bulk of business. We're prepared to prove our value-giving supremacy in no uncertain manner. We direct your attention to the suits we are selling at \$18 in substantiation of the above claims.

You'll wonder at the superbly tailored suits we're showing at \$18. These suits are tailored from the most stylish of new suitings, worsteds and chevron weaves with semi-fitting jackets, smartly trimmed with large buttons, silk, satin or worsted braids, following the directoire modes. The skirts are gored circular models with directoire effect at side. These are also trimmed with buttons and braids; jackets are full satin lined and the tailoring of each garment is of a distinctly high order. You'll not wonder at our enthusiasm when you see them as they far surpass any suits at this price we have seen. The styles are too varied to admit of individual description.

\$18.00

Dress in the Warm Glow of a Cheerful Fire:

THE BEST OF GAS HEATERS ARE VERY INEXPENSIVE HERE.

The chill and shock received upon jumping out of a warm bed into a cold room is responsible for much of the sickness resultant from "colds," and even though you don't "catch a cold," there is a lot of comfort in dressing in a warm room. Here are the best gas heaters made; heaters that are slightly, quickly and that radiate an intense heat, perfect combination does away with all odors and you get what you're looking for "a lot of heat at little expense" cool nights, cold mornings, warm through the day, that's Fall weather, too hot to start the furnace—a gas heater answers the purpose.

Upright Gas Mantles 8c

We guarantee these mantles to give a clear white brilliant light. They are mantles that usually retail at the and the construction of the holder absolutely protects it from the intense heat to which it is often subjected. Inverted gas mantles at10c
BASEMENT STORE.

10-4 Sheeting at 23c

BLEACHED OR UNBLEACHED

These sheetings are regular 20c values, but we bought them in a big quantity and divided them between our two stores. 23c is the lowest price you've ever quoted on like quality of wide sheeting in any moon. It represents a saving of 7c a yard.

Plenty of Warm Bed Coverings at Little Prices.

ALL OF THEM MADE IN SANITARY FACTORIES

Of utmost importance to you is that little sentence "made in a sanitary factory," especially in the buying of bed coverings. The coverings we offer are all bought directly from the maker. Our buyer visits the factory. He sees just where and how they're made. He knows exactly what the "filling" of the coverables are. He knows how thoroughly shrunken are the yarns that compose these luxurious blankets of wool and just how cleanly are the conditions surrounding the making of them all. They cost you no more here than elsewhere and you know positively that you do not risk the health of your family by the purchase of bed coverings made in uncleanly sweatshops where precaution against disease is unknown.

The Crawford Shoes for Men

A toe that won't break down, leathers that have been subjected to closest scrutiny, made by a concern nearly half a century old, designed by the highest priced experts in the shoe world today. That's why Crawford's wear. That's why the styles are so different from the ordinary. That's why you just more Crawford on the street than any other one make. There is a Crawford style for every critical man and nearly every critical man wears a Crawford. No particular when you buy your shoes, have them fit your foot neatly and your ankle snugly, a shoe ought to fit like a glove—Crawford's do.

Exclusive Millinery

\$10.00

A Surprising Array of Distinctive Hats at this Price.

Hats at this price are shown in felt and fabric covered shapes; shades are large and the adornment consisting largely of fancy feathers and wings with tulle or velvet used as a completing garniture. Satin covered shapes, at present, form the most popular models. These are shown in all of the modish colorings handsomely and distinctively trimmed. There are many velvet shapes shown, also at this price. This is a collection that is commanding enthusiastic commendation from every woman who views it, due to the many exclusive features embodied in every hat. They are the product of a hand work and amply attest the source of their origin.

Handsome New Voile Skirts

Gored circular and pleated models, in black voile skirts, and voile still seems to hold its reputation away in the skirt world. Skirts this season are more diversified in style than formerly. Directoire modes have given the designer more latitude and the outcome is a presentation of styles and adaptation from directoire models that is confusing in its diversity. More or less elaboration is to be found in the designing of even these black skirts large crocheted buttons and bands of taffeta, others are self-trimmed in a like manner. Every model features a style innovation that relegates the skirt you have to the old clothes bag. You'll realize how radical has been the fashion change when we show you some of the new and striking models that embody all of the new features of skirt construction.
